ASSIGNMENT

REDICO, INC., a corporation of the state of Georgia, having a principal place of business at 943 Buford Highway, Buford, Georgia, U.S.A., 301 58 (hereinafter "Assignor"), is the owner of an application for Letters Patent entitled

SHOPPING CARTS

for which an application for U.S. Letters Patent was filed by us on February 27, 2004, and assigned serial no. 10/789,296;

AND WHEREAS RTS PLASTICS INC., of 650 Rupert Street, Waterloo, Ontario, Canada, N2V 2R8 (hereinafter "Assignee") is desirous of acquiring an undivided 50% interest in the same as a tenant-in-common;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, by these presents does sell, assign and transfer unto Assignee an undivided 50% interest in the same as a tenant-in-common: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to any reissues of the aforementioned, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications; and Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks to issue said Letters Patent to said RTS PLASTICS INC. and REDICO, INC. the assignee of the entire right, title and interest in and to the same, for their respective sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment not

been made;

Assignor does agree that it will, without further consideration, do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns, and legal representatives or nominees.
